If your child is achieving highly at school, we believe that our Stage 4 Academic Stream Class can provide a quality learning experience on their high school journey.

## Would my child benefit from the Stage 4 Academic Stream Class?

The KMHS Stage 4 Academic Stream Class and High Potential and Gifted Education (HPGE) framework are designed to support opportunities for students who:

Have advanced learning potential and development compared to their cohort.

Perform strongly in particular areas of subjects and co-curricular domains.

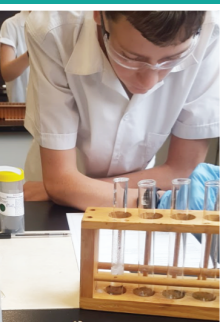

Have high potential in a particular learning area - intellectual, creative, socio-emotional or physical.

Can benefit from additional challenge and extension in their learning.

### Selection Process

Entry into this class is through a selection process comprised of:

- Review of NAPLAN results
- Review of student's latest school report
- A recommendation from your child's classroom teacher in the form of a teacher support statement.

Aligning personalised accelerated pathways with each individual student's talents and aspirations.

Scan QR Code to download application forms and information.

Students in the academic stream class have consistently achieved results in the top bands and those seeking early entry to university have been successful with their applications.
