I would like to wish everyone well for the school holidays.

It has been a difficult term and I am sure that we are all hoping to use this time to rest and re-energise. We are hoping that we will be able to get back on track with all our programs and have fewer, if any, COVID interruptions. I look forward to seeing our students and staff back for the start of Term 2 on Wednesday 27th April.

Website Changeover

The KMHS website has been recognised for its design, accessibility, depth of information available and ease of navigation for its users. We have used it to store documents needed by students and parents, provide a link to wellbeing and careers sites and as a link to payments.

Unfortunately, the DoE has mandated that we cannot continue with our own site and must adopt the standard and less flexible DoE designed site. This is devastating news and we have been working to adapt the new website into something that approximates our original one.

From Friday afternoon, our current link will take all users to the new site. We are still navigating across information and trying to improve the design, given the limitations that exist, so you can expect to still see changes in the new website over the next term. Thank you, Annette for all the hard work that you have put into this changeover.

Staff Changes for Term 2

Our HT English, Beau Crum, will be leaving us for two terms to take on the role of Learning and Design Advisor with the DoE.

Mobile Phone Survey

Earlier in the term, I wrote about a review of mobile phone use at school. The link below is to a survey that asks for parents' contribution to our decision making about this. This link will also be emailed to parents. Please take the time to complete this short, but important survey.

Deputy Principal's Report

Students are required to complete a

number of assessment tasks in all subjects throughout the year. For students in Years 10 to 12 the rules for assessment submission are far more strict and explained in the policy and schedule booklets they signed for earlier in the term.

When students do not meet the requirements of an assessment task, for example, submitting it late or not all, they are issued with a 'N Warning Letter.' The letter provides details of the task and how the student can rectify the problem. Students are also required to demonstrate diligence to satisfactorily meet the requirements for each course. This includes attendance and completing class work. N Warning letters can also be issued for not demonstrating diligence.

If students fail to meet the requirements of a course(s) they will be 'N Determined.' This means they will not be eligible for their RoSA in Year 10, Preliminary or HSC. Students in this position will have had support provided to them throughout the year, with several opportunities to redeem themselves.

The assessment policy and assessment booklets are also available on our [website](#). If you have any questions regarding this please feel free to contact me.

PBL Award System

As part of PBL (Positive Behaviour for Learning), we have a reward system that involves \$10 canteen vouchers. For each Week A, students in Years 7 to 9 who have positive memos on Compass for the term are entered into a draw. Their names appear on a spreadsheet with a random number generator used to select the lucky student. The same process occurs for students in Years 10 to 12 for Week B.

Due to interruptions and organisation changes, six vouchers were awarded at assembly this week. The well-deserved recipients were:

KMHS Positive Behaviour for Learning (PBL) Award

CONGRATULATIONS to our Canteen Voucher WINNERS:

Zane - Year 7
Holly - Year 7
Josh - Year 8

Madison - Year 10
Samantha - Year 10
Holly - Year 12

Hospitality Success

Prize-Winning Year 12 Hospitality Students

Well done, to Year 12 Hospitality students, who entered in the CWA (Country Women's Association) cooking challenge this term. This year is 100 years of CWA and the students made "Coconut Ice" slice which was sent off for judging against other students in the 17-18yrs age group. Tarliya, Paige M and Paige H all received 3rd prize and Veronika and Aisha were awarded 1st place.

Our prize-winning students will now go on to the State (NSW) level, where they will make the slice again to be judged.

I am so proud of our KMHS students for being involved in the community and trying their best!

Hospitality Teacher
