

POLICY IMPLEMENTATION DOCUMENT

Uniform Policy and Local Practices

The DoE School Uniform in New South Wales Government Schools provides guidance on implementing a uniform policy for schools. It includes the benefits of a school uniform and legislative requirements. **The DoE policy can be found at the link below:**

<https://education.nsw.gov.au/policy-library/policies/pd-2004-0025>

The following outlines our school's local practices:

Students out of uniform are to report to the Deputy's office before 8:50am and a uniform pass will be issued. Alternatively, students can present a note to their check-in teacher. Students without a note from home will have an incident recorded on Compass.

Staff are encouraged to ask students for a pass throughout the day (*including playground and classes*). Students who fail to present a pass are to have it recorded as an incident on Compass and referred to the Deputy. Compass entries will be monitored by the Deputy Principal. Students who are repeatedly out of uniform will serve a detention.

Students who attend school wearing inappropriate clothing, such as 'very short' shorts, will be referred to the uniform pool. If there are no items available, the student will be removed from the playground.

WH&S requires that students are to wear fully covered leather shoes in all practical subjects.
